Guesthouse	0K

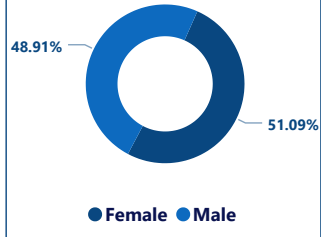

### Gender of Travelers

A donut chart titled "Gender of Travelers" showing the distribution of gender among travelers. The chart is divided into two segments: a darker blue segment representing 51.09% and a lighter blue segment representing 48.91%. A legend at the bottom indicates that the darker blue represents "Female" and the lighter blue represents "Male".

Gender	Percentage
Female	51.09%
Male	48.91%
